Assistant
Director:

Tom Hallman

Valley H.O.G. member since 1993.

National H.O.G. Life Time member since 2000 (or longer).

I started riding motorcycles in the fields of Daugherty Twp. as a kid. I got away from biking when I went off to college.

Graduated from New Brighton H.S.

Graduated from Indiana University with a B.S.

Graduated from Westminster College with a Masters.

Studied at Pitt in the Administrative Doctoral program.

I actually got back into it when a former student of mine took me for a ride on his brand new 1990 Springer. I

caught the fever and started riding again with a Vulcan (forgive me). In 1993 I purchased my first Harley, a customized 1993 Sportster. I quickly found out that it was too small for me. In 1994 I bought a new Dyna. I still have it and my youngest son is now riding it. I am glad that it is still on the road and in the family too! My next Harley purchase was my dream bike, a 2007 Springer Screamin' Eagle CVO. I will never part with this bike!

I haven't been too active in H.O.G. events due to the demands of my work, but now that I am retired, I hope to be more active. I retired in June of 2012 after serving 35 years in public education, the last 20 of those years as an administrator. I retired from the Seneca Valley School District in Butler County. I am still adjusting to the slower pace of the retired life, but am glad to be making my own schedule and working at my own pace.

My wife and I live on a farm just outside of Ellwood City. We also have several rental properties that keep me busy. We have two grown sons and hopefully some daughters-in-law soon! LOL

Together my wife and I have rode the Harley to York, Gettysburg, Myrtle Beach, Ocean City, Daytona Beach Bike Week and many other local rides. Personally, I have done H.O.G. Fly'n Rides to Seattle, Vancouver, San Francisco, Miami, and Key West.

It is my goal for my wife and I to ride to the Grand Canyon and Sturgis some day.
