**John
Brewer**

- 1951– Born/Raised and still reside in New Brighton
- 1966–Got my 1st bike– Montgomery Wards Mo-Ped
- 1967-92– Had various Bikes (Honda-S90 to V45 Magna
- 1992– Bought my **first Motorcycle**– Softail Harley Davidson drove it to Sturgis by myself the next year. Just about the *"Best Experience I Ever Had"* **besides getting married to Deb in 1997**. I've rode back to Sturgis several times with other groups, but now I'm Trailer Trash.
- 1998– My bike was stolen in Daytona the last day Deb & I was there, never want to go through this again. I replaced my Softail with an Ultra– was ok but a few years later I went back to a Softail– that I ride today with a few engine/acc mod's (I'm the noisy one).
- 2010– Decided I wanted to try a semi bagged Hensel the CVO Street Glide I also ride.

To support my habit I was a tool & die maker for Westinghouse for 23 years, but my **'Dream Job'** was to be an electrician, which I've done for 41 years, going full time in 1992. running my own business.

This year I'm hoping to semi-retire– we've already booked Sturgis.....

See you On The Road.....

Ride Safe.....
