Roger, (Historian) Gave report on Robert Craig Knievel—Well known as Evel Knievel born October 17, 1938 and died November 30, 2007. Evel lived by being fervent and living severely. Keeping his word was extremely important to him. In 1951, at age 13 he rode his first Harley. One of his Harley's is displayed at the Smithsonian. Anti-drug issues were very important to him. Helmets were a MUST.
