2016 OFFICER'S PICTURE IS POSTED ON THE WEB SITE

OFFICER REPORT CONT.

JOHN, (Activities) New year— Winter finally reared it's head— Most New year Resolutions have been long broken— so goes life!

Christmas party was a great time for all who attended.

New Year's Day ride— Snowing & ground was white when I woke up— Did anyone brave the elements? I did see a guy in shorts— riding his bike about 1pm in Evans city on RT 68.

Time to start planning— looking for ideas & people to take us on “their favorite ride”- be it just a ride or dinner.

Time to start thinking what to do this year— riding season is only 8 to 10 weeks away!

I am starting a program to recognize our “Top Riders” @ the end of the year. To “Sign Up” for the program, you need to ride your bike to McMahon's and Bill will log your mileage at the *Beginning* of riding season, and again at the *END* of the season. Your mileage will be calculated and you will be awarded accordingly.
