I started as a social club member for a few years and joined National HOG in 2003 when we drove with some of our club members to Milwaukee for the 100th Anniversary Celebration.

Became Secretary in 2004, then became Secretary/Editor in 2005 and held that position through 2008. Appointed to Membership Position in 2009 through present.

I don't drive but just hang on with Mel and help him with directions. We have been to Myrtle Beach, Laconia, Nova Scotia, York, and many breakfast and dinner rides.

Retired from First Energy at the Beaver Valley Power Station in Shippingport in September 2003. Have been busy doing nothing since then. Retirement is great. Now I have time to garden, read, play computer games, needlepoint, shop, play with our cats and do

May the sun rise in front of me,
May the rain fall behind me,
And the wind follow behind me,
May the angels guard my travels,
For they know the road ahead of me.

Keep me safe through swirling turns and rolling hills,
Let the eagle guide me to the mountaintops.

Let the moonlight guide me through the night
Let the air of spring breath life into my soul,
To journey to another adventure
